NATIONAL CONFERENCE & PRE - WORKSHOP ON WATER RESOURCES AND WASTE WATER MANAGEMENT

16-17 September 2010

Organized by

Department of Civil Engineering
Bannari Amman Institute of Technology

(An Autonomous Institution Affiliated to Anna University, Approved by AICTE, Accredited by NBA New Delhi and NAAC with "A" Grade)

Sathyamangalam - 638 401

ABOUT THE INSTITUTION

Nestled on the Northern bank of River Bhavani, BIT's campus provides the right environment for natural learning in harmony with nature, away from the odds of city life. BIT was established by Dr. S.V.Balasubramaniam, Chairman, Bannari Amman Group in 1996 and is being guided by Dr. S.K.Sundararaman, Director, BIT. It is an Autonomous Institution affiliated by Anna University, Coimbatore.

BIT has excellent infrastructural facilities with landscaped courtyards and pathways and designed to emphasize the character of an excellent centre for learning. As on date BIT offers 11 U.G and 9 P.G programmes besides M.C.A., M.Sc. (SE) and MBA.

ABOUT THE DEPARTMENT

The Department of Civil Engineering was started in the year 2001 and presently it offers under graduate program in Civil Engineering, postgraduate program in Structural Engineering and doctoral program recognized by Anna University Coimbatore. The department has qualified faculty members with excellent academic records. The department is equipped with excellent laboratory facilities since its inception. Separate CADD lab is available with latest computing facilities. The department undertakes a wide range of consultancy services. The department has conducted International / National conferences and Staff Development Programme.

PRE-WORKSHOP AND CONFERENCE OVERVIEW

This Pre-workshop and conference covers the importance of water and emphasis on the necessity of water and waste water treatment. This also gives an overview of the available ground water resources. The knowledge and skills gained through these two days pre workshop and conference will help the participants to take up projects on water and waste water management.
