Two Day National Conference On Contributions of Mathematics

In

Science and Technology

February 15-16, 2019

Stay Ahead

Organized by

Department of Mathematics Bannari Amman Institute of Technology

(An Autonomous Institution Affiliated to Anna
University, Chennai.

Accereditd by NBA and NAAC with A
Grade)

Sathyamangalam – 638401

Erode District Tamilnadu

Ph: 04295-226262

Website: www.bitsathy.ac.in

About Institution

The Bannari Amman Institute of Technology (BIT) is an energetic and vibrant higher educational institution promoted by the Bannari Amman Group, a leading corporate house in southern part of India. It is an impressive campus situated in a serene surrounding at the foot hills of the Nilgiri mountains encompassing a sprawling area of 176 acres with a built-area more than 16 lakhs square feet and presenting an exemplary illustration of corporate contribution to society. BIT is a well designed campus with state-of-the-art facilities.

The institute offers 15 graduate programmes and 15 postgraduate programmes and Ph.D. programmes in Engineering, Technology, Software Engineering and Management. All eligible courses have been accredited by National Board of accreditation (NBA), AICTE and is an ISO 9001-2008 Certified Institution. The institution is also accredited by National Assessment and Accreditation Council (NAAC) with A Grade.

About the Department

The team Mathematics, which has a reputation of publishing more than 20 books in engineering mathematics and more than 100 research papers in peer reviewed journals, offers opportunities for technical learning and research in a wide spectrum of areas in mathematics. We have been bridging the gap between the schooling to college by means of a variety of methodologies that sets aside the panic of mathematics from the minds of young engineers. The department has highly motivated, dedicated and experienced faculty with diverse specialization. This department is a depository of knowledge and wisdom that provides mathematical support to the students who take up the project works in various engineering topics.

About COMIST 2018

The aim of National Conference on Contributions of Mathematics in Science and Technology is to provide the contribution of Mathematics in Sciences, Engineering and Technology and their Applications. Further, COMIST 2018 built a bridge connection to Mathematics and Engineering researchers and Faculties. The programme consist of plenary invited talks as well as contributed paper presentations in different technical sessions.

Invited Speakers

- Prof. S. R. Kannan, Pondicherry University.
- Prof. T. Tamizhchelvam, Manonmaniam University.
- Prof. G. Geetharamani, Anna University (BIT Campus).

Conference topics

The areas to be covered in the conference will include:

- ✓ Mathematical Modeling
- ✓ Applied Mathematics
- ✓ Pure Mathematics
- ✓ Mathematical aspects of Computer Science

But **Not limited** to these areas.

All submitted papers will be reviewed by conference technical committee. The selected and presented papers in the conference will be published in the *SCI, SCI(E), Scopus, Web of Science, UGC approved list* of journals by authors preference with their own cost.

**Two- day National conference on
Contributions of Mathematics in Science
and Technology,
Feb 15-16, 2019**
