2008 Batch - Biotechnology Alumni Get-together

Members of the 2008 Batch Biotech Alumni members organized an alumni get-together on our campus on 19th and 20th of April, 2025. The event served as a valuable opportunity for alumni to reconnect with their peers and engage with the institution. During the meeting, the alumni shared updates on their personal and professional journeys, and discussed various chapter activities, including ongoing initiatives and future plans for collaboration. The alumni office appreciated their efforts and suggested organizing more such gatherings in the future to further strengthen alumni engagement and enhance the association's activities across all domains. The office also encouraged the alumni to actively interact with present students by mentoring, sharing industry insights, and offering guidance to bridge the gap between academia and industry.
