 An Autonomous Institution, Affiliated to Anna University,
 Approved by AICTE, Accredited by NAAC with 'A+' Grade

International Conference on Smart AI Systems and Data Intelligence (ICSASDI 2026) Hybrid Mode

**9th and 10th
 April 2026**

Organized by

**Artificial Intelligence and Data Science
 and
 Artificial Intelligence and Machine Learning**

About the Institute

Bannari Amman Educational Trust was established in 1995 with a vision to create educational facilities for students in rural areas. In pursuance of the vision, the Trust started Bannari Amman Institute of Technology (BIT) in 1996 at Sathyamangalam. The institution offers 11 Undergraduate programmes and 3 Postgraduate programmes in Engineering and Technology, Management, and 13 Ph.D. programmes of Engineering and Technology. BIT is an autonomous institution affiliated to Anna University, Chennai, and approved by the All-India Council for Technical Education (AICTE), New Delhi, accredited by NAAC with an 'A+' Grade (CGPA of 3.36 on a 4-point scale) in the third cycle. Furthermore, 13 departments at BIT have received accreditation from the National Board of Accreditation (NBA).

About Department

The department of Artificial Intelligence and Data Science / Artificial Intelligence and Machine Learning is a unique centre of BIT established in 2020/2021 respectively. This Department offers a 4 year B.Tech Programme. It has a heartfelt team of dedicated faculty members with a sound knowledge in various areas and has the state-of-art facilities for various laboratories and supports smart class learning

About the Conference

The International Conference on Smart AI Systems and Data Intelligence (ICSASDI 2026) provides a global platform for researchers, academicians, and industry professionals to present and exchange innovative ideas in artificial intelligence and data-driven technologies. The conference focuses on cutting-edge smart AI systems, intelligent analytics, and emerging data intelligence frameworks. ICSASDI 2026 aims to foster collaboration and inspire advancements addressing real-world challenges across academia and industry.
