

Lr No: 1/BIT – Anti-Drug Committee/2026-2027

Date: 03.06.2026

Reconstitution of Anti-Drug Committee

Academic Year 2026 - 2027

Objective / Aim:

- Encourage students to actively participate as volunteers in Anti-Drug initiatives throughout their lives.
- To spread awareness about the importance of maintaining a drug-free campus environment.
- The Anti-Drug committee is a proactive create that aims to bring about awareness, prevent drug abuse, and support a healthy, drug-free lifestyle for our students.
- A healthy and fit next generation, driven to join the fight against drugs.

Associated Activities / Functions:

- To educate students about the harmful effects of drugs and alcohol.
- To promote peer vigilance among students to prevent drug use and to report any observed drug-related activity to the student volunteers of the Anti-Drugs Committee.
- To organize awareness initiatives in the college and hostels with the assistance of authorized agencies/organizations.
