Bannari Amman Institute of Technology

Bannari Amman Institute of Technology (BIT) is an AICTE-approved; self-financing autonomous Engineering College affiliated to Anna University, Chennai Tamil Nadu. It is a vibrant institute, situated in serene surroundings near the banks of River Bhavani at the foothills of Nilgiris, Sathyamangalam Erode District, and Tamil Nadu. It was established in the year 1996 in sprawling campus of 180 acres with a built-up space of more than 20 lakh square feet by the Industrialist and Philanthropist Shri. S.V. Balasubramanian, Chairman of the Bannari Amman Group, a leading corporate house in South India, Coimbatore with a vision to uplift rural areas by imparting technical education of global standard to the rural people. The Institute offers 10 UG and 03 PG programs in Engineering, Master of Business Administration (MBA), and Research programs Ph.D/MS. It has many laurels to its credit such as accreditation by NAAC with A+ grade for five years, NBA accredited courses, Best Engineering College award by ISTE, New Delhi, Mindlogicx Infratec Ltd Silver medal award for the best institute-industry linked engineering college instituted by AICTE-CII for the year 2012.

About the Department of Biotechnology

The Department of Biotechnology was established in the year 2002. It offers B. Tech and M. Tech in Biotechnology under Anna University, Chennai, and is accredited by NBA. The Department has well-qualified and experienced faculty members. Equipped laboratories to teach and conduct research in multifarious areas such as Biochemistry, Bio-organic Chemistry, Microbial

Biotechnology, Enzyme Engineering, Cancer Biology, Polymers, and Bioprocesses. The department has organized many seminars, staff/faculty/entrepreneur development programs, and workshops sponsored by Anna University, AICTE, DRDO, DST, UGC, DSIR, and TNSCST related to Biotechnology. The Department also has externally funded sponsored research projects, and spearheads a Technology Business Incubator (BIT-TBI), a joint venture of Gol and BIT to encourage young entrepreneurs to convert their novel ideas into commercial products. The Department has also been recognized as a research center by Anna University, Chennai for guiding research scholars leading to Ph.D.

About the conference

The International Conference on “Bio-Innovation for Sustainable Development and Circular Bio Economy – [ICBISDCBE -2026]” is a scientific gathering that aims to bring together researchers, industry professionals, academics, and policymakers to discuss and share knowledge on the latest advancements in agriculture, biotechnology, food technology, and their applications to creating sustainable bioresources and promoting a bioeconomy. This conference covers a range of critical topics related to sustainable agricultural practices, innovations in Biotechnology, and Developments in Food technology, all with a focus on contributing to a sustainable and bio-based economy.

Conference Highlights:

- Explore the latest advancements in Agriculture, Biotechnology and Food Technology
- Bioenergy, Environmental Science, and Sustainable Technologies.
- Interact with leading experts and researchers in the field.
- Engage in thought-provoking discussions and networking opportunities.
- Publish your research in prestigious Journals/conference proceedings.

Who Should Attend?

- Researchers and scholars in agriculture, biotechnology, food technology
- Industry professionals in Agri-bio sectors
- Policy makers and sustainability practitioners
- Students and academics interested in emerging bio economy solutions

Conference Themes

- Microbial and Computational Biotechnology
- BioSource Technology and Bioenergy
- Agriculture Technology & Precision Farming
- Digital & Smart Agriculture
- Environmental Biotechnology
- Sustainable Food Production & Processing
- Circular Economy in Food Systems
- Renewable Energy from Bioresources
- Food Safety & Quality Assurance
- Functional Foods and Nutraceuticals

Opportunities for the Registered Participants

- Oral and poster presentations of research papers
- Keynote lectures and invited talks by experts
- Networking and collaboration sessions
- Publication opportunities in conference proceedings or Journals

REGISTRATION

Eligibility of participants

Faculty members, Students, Scientists/Researchers from life and chemical sciences, industrialists, Agriculturist, Biotechnologists, Food Technologist & Pharmaceutical scientists, Nanotechnologist, Analytical chemists, Energy and Environmental scientists, etc.

Conference Registration Details:

The registration fee should be paid in Demand Draft in favour of “The Principal, Bannari Amman Institute of Technology” payable at Sathyamangalam, or through Online payment mode with the following details:

A/C Name : BIT - Center for Advance Studies
A/C No. : 911010036862582
Account Type : Savings Account
Branch : Axis Bank, Sathyamangalam
IFSC Code : UTIB0000368

Upon payment of registration fee, the corresponding author should formally register using the link given in the website. The abstract ID and payment reference ID must be clearly mentioned during the registration.

Abstract Guidelines:

The delegates are invited to contribute the original scientific Abstracts for Podium / Poster presentation. The abstract which include Introduction, Materials and Methods and Results and Discussion of maximum 300 words, should be typed in Times New Roman, 12 font, single space with 1” margins on all sides. The title of the abstract should be in CAPITAL BOLD followed by authors and their affiliation. The name of the presenting author should be underlined. The abstract should be provided with the theme to which the abstract belongs on top right of the abstract page. The abstracts will be considered for the conference only after the payment of registration fee. The acceptance of the abstract will be communicated to the corresponding / presenting author thorough an email.

Selected full length manuscripts will be published in reputed Journals (Scopus/SCI)/ conference Proceedings after peer review.

Important Dates to remember:

Conference date : 16.04.2026 & 17.04.2026
Last date for registration : 10.04.2026
Last date for abstract submission : 10.04.2026
Abstract selection intimation date : 12.04.2026

Spot Registration may also available
