Office of the IQAC

Action Taken Report (AY 2023-24)

The suggestions given by members in the IQAC meetings and action taken on the suggestions were discussed in the subsequent meetings. The summary of the action taken on the suggestions for the Academic year 2023-24 is follows:

Sl. No.	Points Discussed	Actions Taken
1.	Suggested to conduct the competency assessments for individual students before the commencement of each semester.	Initiated
2.	Availability of manual for skill competency training in the web portal, along with pricing details. Also recommended to get a copyright for the skill competency manual for its uniqueness.	Initiated
3.	Suggested the faculty members to get the certification from the industry after completion of the training.	Initiated
4.	Suggestion was given for the faculty members to identify the problem statements from the industries during the IRP visit, and to discuss them with the fellow faculty members.	Initiated
5.	Proposed to conduct department-oriented or domain-specific outreach programs instead of general club activities.	Initiated and planned for the upcoming AY
6.	Prepare the analysis of the individual student's improvement regarding the professional competency.	Initiatives taken through Personalized Skill
