Action Taken Report (AY 2022-23)

The suggestions given by members in the IQAC meetings and action taken on the suggestions were discussed in the subsequent meetings. The summary of the action taken on the suggestions for the Academic year 2022-23 is follows:

Sl. No.	Points Discussed	Actions Taken
1.	IQAC Newsletter	The IQAC annual report for the AY 2021-22 has been prepared and circulated to all the faculty members.
2.	Statistics of Library activities	The library activities for the assessment period has been presented in the IQAC meeting
3.	Concerns about the poor results in the Periodical Tests	The poor results could be attributed to a few factors like providing extensive study materials for specific topics and in a few analytical courses, the question papers are designed in a way that demands detailed answers, but the marks awarded for these answers are relatively low. Also the remedial classes are being conducted as an attempt to address these challenges and help students who are falling behind.
4.	The suggestion was given by the external member, Dr B Sampathkumar to present the recent changes in the parent university in the next IQAC meeting	The action taken will be presented in the next meeting
5.	The analysis of the number of students who passed out of no.of students appeared in the AY 2019-23.	The action taken will be presented in the next meeting
